

PRE-APPROVAL AND CREDIT PULL

Unfortunately, the three credit bureaus Transunion, Equifax and Experian may sell mortgage related credit pulls, called "Trigger Leads". You may possibly be contacted by non-qualified mortgage officers from OTHER companies who don't have the ability to attain business correctly. To avoid this possible headache, I recommend putting yourself on both the OPT OUT and DO NOT CALL registries. (Takes less than two minutes)

www.optoutprescreen.com

- Scroll to bottom, click on the blue "OPT OUT" bar
- Scroll to the bottom again and click on either the 2nd or 3rd button
- Fill out very basic info and click CONFIRM

www.donotcall.gov

- Click on the red bar "Register your phone"
- Click on "register here"
- Enter your phone # and email address
- Click Submit

**** These few minutes could save you from being possibly contacted from unnecessary calls from unreputable/unskilled mortgage telemarketers.**

We highly recommend that you take these steps to avoid unnecessary phone calls from unwanted parties.
